LEVEL CROSSING TROUBLE

Some time ago the Level Crossing Committee of the Victorian Railways inspected the level crossing in Maidstone Street and decided the present warning devices were sufficient.

This did not satisfy the Altona Shire Council.

The council requested a further inspection by the Level Crossing Committee but have been advised by the Railway Department that as the Committee already has an extensive program of visits to be made to other locations throughout the State, no firm indication can be given at this stage as to when a further inspection is likely to be made.

Cr. Hearn, who is disappointed with the decision of the Committee, said their attitude seems to be, "We've looked, we had the R.A.C.V. with us, we consider lights unnecessary and in our own good time will give the crossing further consideration."

Cr. Hearn does not think the Committee looked very hard at the fact of some catastrophe which is bound to happen before they decide to look in their own good time.

He suggested a letter be written to the Railway Department stating that this crossing is over a main road and that traffic has increased considerably at peak hours. Cr. Hearn would also like pointed out to the department that inspection by day-time is not sufficient. He said they must come down at night, preferably a rainy night and see the confusion caused by the Petrochemical Complex lights.

As Cr. Hearn said, "We who know the crossing take care, but strangers —?"

Cr. McIntosh said the Railway Department letter gives the impression on another inspection in 10 or 20 years. He said he cannot stress strongly enough the dangers of this crossing. It is impossible to see a train when the Petrochemical Complex lights are on. Cr. McIntosh said this will be "another case of closing the gate after the bull has gone."

The council readily agreed with Cr. Hearn's suggested letter to the Victorian Railways and also decided to send one in the same vein to the R.A.C.V.

THANKS FROM MRS. TAYLOR

I would like to take this opportunity, through your newspaper, to thank all the people of Altona for the kindness, sympathy and help they have given to my children and myself since the sudden death on February 6 of my husband, Noel.

To Mr. Spence, Altona Working Men's Club, Mr. Lamb, Altona Branch of the A.E.U., and Mr. Lee, Altona Branch of the A.L.P. and these organisations I owe a special thanks for the appeal they organised for our benefit. Also to everyone who donated to the appeal, or gave their time to go to the dance, many thanks.

I have been deeply touched by the interest and help given by my husband's workmates and friends, my neighbours, and by so many other people not known to me personally.

I am very grateful. God bless you all.

BEACH CLEAN

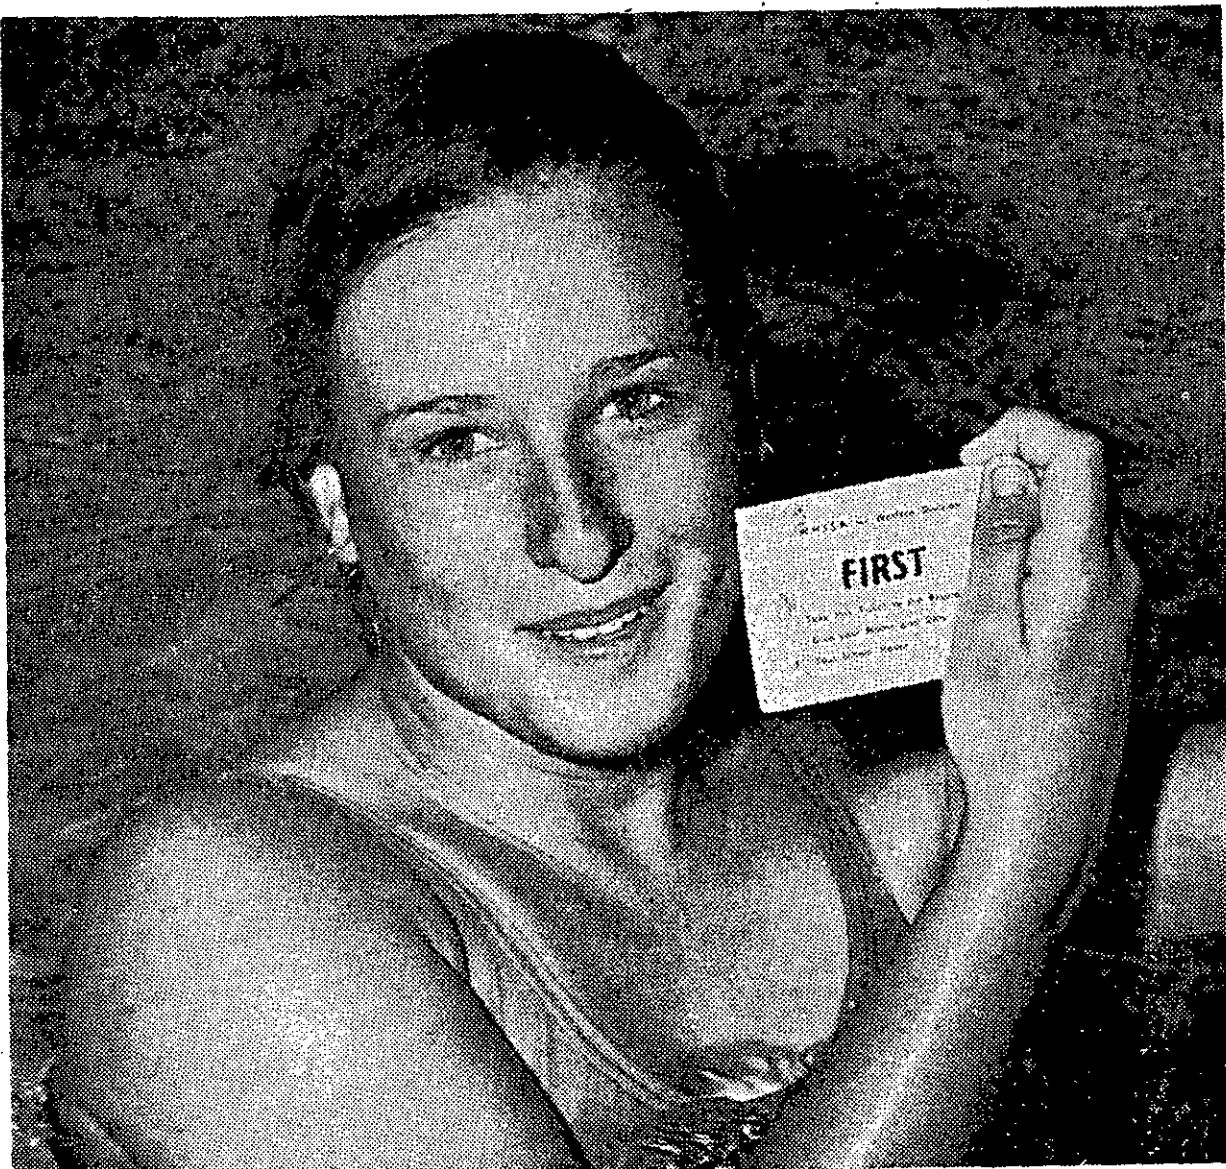

The Parks and Gardens Committee of the Altona Shire Council met with representatives of local organisations taking part in Operation Beach Clean last Monday night.

It was decided to have a public parade next Saturday morning from 10.30 a.m. to 11 a.m.

The Parks and Gardens Committee will come down to inspect the work of the organisations. All organisations participating in Operation Beach Clean are expected to be in attendance.

At the meeting it was pointed out that Operation Beach Clean had lagged somewhat during this summer. But the substantial increase in the number of cut feet proves the need for a vigorous campaign from now to the end of the season.

INTER HIGH SCHOOL SWIMMING SPORTS WIN TO JUDY HAYES

Judy Hayes shows her winners' ticket after winning the Under 15 Breaststroke at the Metropolitan High Schools Swimming Sports. Judy was representing the Altona High School in the Western Division (B Section). Results of the Sports are on Page 2.

DONATION TO SPASTIC AID COMMITTEE

At the last Altona council meeting it was unanimously decided to donate £100 to the Altona Spastic Aid Committee.

Mrs. L. Oakes, secretary of the committee, had asked the council for financial assistance for local spastic children who attend the spastic centre in Chislon daily.

The Shire President, Cr. A. W. Bond, has visited this centre several times and said all equipment and assistance mainly depended on charity as it is not a government sponsored centre. He said the women who worked so hard needed every encouragement to keep the centre going and therefore he suggested a donation of £100.

BUILDING ACTIVITIES IN ALTONA

Millers Road, close to Civic Parade, has promise of developing into a new residential area.

A fair portion of the 160 allotments in the area have already been sold.

Several homes have been built, mainly of brick veneer, and the first two occupants moved in last week-end.

A shopping area facing Civic Parade and comprising seven shops has been planned and should be finished by Christmas.

Government Free Places: Gary Dempsey and Shiela Atkins.

Community Chest Plan Shelved

Due to lack of interest by local organisations the Community Chest for the Shire of Altona has been abandoned indefinitely.

Last October the Shire President, Cr. A. W. Bond, convened a public meeting to form a Community Chest and invited organisations and interested persons to attend.

The aim of the Community Chest was to raise funds for recognised charities and to eliminate all door-knock appeals, unsponsored by council being conducted in the shire.

But the co-operation of individuals and organisations needed to make the Community Chest a workable proposition has not been forthcoming.

Cr. Lee said that at the public meeting there was no election of office bearers and there has been no indication of interest by representatives of organisations who were to report on the meeting to their clubs. He said the clubs feel it would be of no benefit to them.

"It is a good idea gone on the rocks and I am very disappointed," said Cr. Lee, "but you cannot live on hope all the time." If in the future there are enough interested parties the matter can be raised again.

Cr. McIntosh felt it was a good idea and acting in good faith they had thought they were getting somewhere.

When he suggested the shelving of the Community Chest Cr. Lee said there had been applications for donations from the Altona Shire

MUNICIPAL BAND

A public meeting is to be called in Altona to see if the people of the Shire are interested in forming a band.

If enough interest is shown at the meeting a decision on the type of band will be made, and a committee will be elected to go ahead and start preliminary organisation and arrangements.

As an incentive the Altona Shire Council have resolved to refer to estimates the sum of £500 for expenses incurred in equipping a band.

EDITORIAL

STREET NAMES

Civic Parade has replaced Nellie Street. The motion of a recent council meeting has now been implemented. It will be sometime of course before the necessary alterations in road maps and street directories are made—or before all letter writers are made aware of the change. Apart from the rather undue haste shown the action was needful and commendable. We regret, however, that such haste prevented a fuller examination of our street and road names. Even more recently it has been found necessary to rename Webb Street, north of the railway line, to Hancock Street.

There may be, and we think are titles of other roads where more suitable designations are necessary. If such be the case and other names are to be changed, piecemeal alterations are not in the best interests of all concerned.

Generally speaking Altona is fortunate in its nomenclature. The Esplanade, Pier Street, Queen Street, Blyth Street, and Sargood Street are typical and desirable but there are, we think, exceptions. We instance two roads where consideration should be given to a change. Millers Road and Maidstone Street need more suitable titles.

Millers Road, extending from Footscray and Sunshine through to the beach, was originally the name of the Footscray end only. Cherry Avenue, the central portion, and Victoria Street at the beach end have lost their identity. Maidstone Street has connotations of a town in England and a locality between Sunshine and Footscray.

It is a generally accepted practice that thoroughfares such as these have designations based on their significance or destination.

If after examination of all views it is thought that these and/or other streets should be renamed, one official decision is desirable.

Poison Pens

Included in our correspondence of recent weeks have been several letters which are of an obnoxious character. These letters we have precluded from printing because of their libellous nature. They purport to be from local citizens or local addresses. This, however, cannot be substantiated.

Normally speaking such letters would be immediately consigned to the waste paper basket. In view of the fact that the names of reputable citizens have been subscribed to such material, we have felt it our duty to place these and other letters in the hands of the police.

In addition we feel it necessary to state that any letters of a controversial nature must be delivered personally by the writer to the Editor before such will be published.

3 DIVISIONS FOR DART LEAGUE?

Owing to the increasing number of teams wishing to participate in the League, it has been decided to form another fixture.

The original nine teams, who commenced playing on March 8, will now be known as Division 1.

Division 2 will consist of those teams wishing to join the League within the next two weeks. It is proposed to start the fixtures during the second week in April.

Teams, for Division 2, who have indicated their desire to play are—

Ad Astra Dart Club, Laverton, Albright and Wilson, Yarraville, Williamstown Hostel Dart Club, Williamstown, Crown Hotel, Williamstown, Rifle Club Hotel, Williamstown, Rose of Australia Hotel, Williamstown, Brooklyn Hostel, Brooklyn.

Both the Hostels have intimated that there could be two teams from each.

If this is possible Division 2 would be filled and the League will form Division 3 if enough teams are interested.

As the League is desirous of terminating the season for all Divisions during the month of August, Division 3 will have to be limited to six teams.

Any social club or Hotel social wishing to nominate a team in Division 3 are asked to contact the general secretary, Robert A. Rose, 4 Linden Street, Laverton, or phone 68-0214 (after 6.30 p.m. any evening).

Application fee is £1 per club. Players' registration fee is 2/-.

Sixpence per player (playing in the team) per week is deposited in a Trophy Fund to buy trophies at the end of the season.

The next delegates' meeting will be held at the Bristol Hotel, W'town, on Thursday, April 4, commencing at 8 p.m., at which intending club's delegates will be welcomed.

Preliminary talks have been held with the Melbourne and Districts Dart League for an inter-League game. Further details will be given as received.

Last weeks' results were—Altona Council 7, defeated Goodrich 3.

Cheetham Social Club 7, defeated Yacht Club Hotel 3. Union Carbide 8, defeated A.W.M.C. (1) 1.

Bristol Hotel 5, defeated Altona Darts 4.

This weeks' games are—Altona Council v. Altona Darts. Bristol Hotel v. Cheetham Social Club. Yacht Club Hotel v. Union Carbide. A.W.M.C. (1) v. A.W.M.C. (2). Goodrich—Bye

BASKETBALL POPULAR AT ALTONA NORTH TECHNICAL SCHOOL

The popularity of basketball is evident as three teams now represent the Altona North Technical School in various competitions of the Victorian Basketball Association.

The Under 16 A Grade team lost to Church, Montague and Northroys. They scored wins over West Footscray and St. Kilda. This team is rapidly improving and could be a major threat to leading teams.

This team represents the school in inter-Technical Schools Basketball played on Wednesdays. In this competition they have lost to Footscray and Essendon Technical School.

Best players are J. Luczynski, N. Quarrier, W. McCausland, R. Stirling and P. Wagner.

PIGEON RACING

Social Evening Aids Widow

On Friday, March 15, 150 members of the Altona branch of the Amalgamated Engineering Union, the Australian Labor Party, and the Altona Working Men's Club, and their friends, had a very enjoyable evening at a social and dance at the Central Hotel, Millers Road, organised by the above organisations in aid of the widow and family of Noel Taylor, late secretary of the Altona branch of the A.E.U.

The patrons at this social and dance responded well to the appeal for the fund, and a total of £23/12/- was collected. An additional £15 in donations from A.E.U. branches and individual members of the three organisations was also received, combining their efforts to make this appeal successful.

With the sale of donation tickets for the evening and the generous gestures of the Noel Farrar Dance Orchestra, the Rankin and Savage Musician Trio, and singer John Kelly and Luigi Negri, all giving their services free, the cumulative financial effort for the evening amounted to £71/15/-.

With previous donations and payments to Mrs. Taylor over the past three weeks, this makes a grand total of £120 and we take this opportunity to thank all those who have supported and contributed to this appeal.

On Saturday, March 16, the Secretaries of the three organisations sponsoring the appeal—Mr. A. W. Lamb, A.E.U., Mr.

W. Lee, A.L.P., and Mr. W. Spence, A.W.M.C., visited Mrs. Taylor and presented the sum of £70, leaving the small balance of £15/5/4 as we still feel many of our friends have not yet caught up with the appeal.

Anyone still desiring to donate to this appeal, please send your donation to the Treasurer of Fund, Mr. A. W. Lamb, 107 Queen Street, Altona, W.18.

Mrs. Taylor expressed to us her sincere thanks and gratitude to all who have assisted in her recent bereavement and mentioned specifically that Legacy and the War Services Organisation are doing what they can to alleviate any possible hardship or inconvenience that could arise.

BEAUTY DEMONSTRATION

A beauty demonstration will be held at the home of Mrs. G. Aldridge, 41 Fitzroy Street, Laverton, on Tuesday, March 26, at 1.30 p.m.

The afternoon is to help the funds of the Epsom Road State School Mothers' Club.

Afternoon tea will be served and a cordial invitation is given to all ladies to attend. oOo

BON VOYAGE

A round of farewell parties are being held for John Lamb who sails for England on Sunday, March 24 on the "Fair-sky."

John, who is off on a working holiday, is the son of Mr. and Mrs. A. W. Lamb, of Queen Street, Altona.

On March 15 young members of the Y.M.C.A. Scooter Club from the West Footscray Youth Centre gathered at John's home for a farewell party. There were scooters, scooters, and more scooters everywhere on the lawn of 107 Queen Street on the night of the party.

John, who has worked hard for the advancement of the scooter club, said he hopes to further the aims of the club activities during his stay in England. He is already in touch with scooter organisations in England and now he wishes to make personal contact to further the aims of this most progressive organisation.

It is most encouraging to youth leaders to see practical endeavours of this nature being undertaken by the young element and it is obvious that when given encouragement and shown interest, the young people can readily give an excellent account of themselves.

Another farewell party was enjoyed by John's friends on March 17. At this party they all wished John "Bon Voyage." oOo

OVERSEAS TRIP

When publishing a par that Miss Lesley Martin, of Maidstone Street, Altona, was leaving for an overseas trip at the beginning of March we unfortunately were given the wrong date.

For the benefit of Miss Martin's friends, Lesley will be sailing on March 30 on the "Patris." She will be touring Europe for about three months before arriving in England where she plans to work for a short time before returning to Australia via Canada and America.

Miss Martin expects to be away for approximately 18 months during which time she will visit relations in both England and Canada. oOo

ALTONA WEST STATE SCHOOL

The school committee is very pleased with the response received from the parents to help at the working bee next Saturday and Sunday.

In order to allow parents to meet and discuss with the teacher any problem or queries they might have concerning their children attending this school and also to allow teachers to meet and discuss with the parents any matters they might care to, a special Parent-Teacher afternoon and evening will be held at the school on Wednesday, March 27.

Classes will be dismissed at 2.30 p.m. and parents are invited to attend the school between 2.30 and 4 p.m. during the afternoon or between 7.30 and 9 p.m. during the evening.

If you are interested in your children please go along.

IN THE CHURCHES

Last Saturday the Altona Presbyterian Church held its annual meeting of the congregation. A basket tea was enjoyed before the business for the evening was dealt with.

The following persons were elected by the congregation to serve on the Board of Management for the next two years—

Mesdames W. Crofts, R. Haugh, T. Hope, and L. Noordenne; Messrs. R. Colvin, G. den Dulk, R. Haugh, W. T. Inglis, and V. Rivett.

The Board of Management then elected office-bearers for the year—

Secretary, Mr. J. W. Waters; Treasurer, Mrs. L. Noordenne; Assistant Treasurer, Mr. W. T. Inglis; Stewardship Recorder, Mrs. W. Crofts.

A further important step in the development of the Presbyterian Church in Altona was taken at the Sunday School Service when the first Session was formed. The Service was conducted by the Rev. F. H. Camp, Minister of St. Andrew's Presbyterian Church, Williamstown, who Ordained and Inducted Messrs. W. L. J. Crofts, H. D. Graham, J. M. Kidd, F. Thorpe, and J. W. Waters to serve as Elders of the Church and constitute the Session of the Altona Presbyterian Church.

Two members from the Session at Williamstown joined the Rev. F. H. Camp and extended the right hand of fellowship to the Altona Session.

This solemn and historic event was followed with the Sacrament of The Lord's Supper, the Altona Elders assisting the Minister by serving the Bread and Wine to the congregation. oOo

PARISH PICNIC

Last Saturday, in beautiful weather, over 100 people of all ages joined in St. Eanswythe's Parish Picnic in the You Yangs Scenic Reserve.

Most took part in a very enjoyable sports program, which concluded with a very popular event, the ladies' throw-the-rolling-pin contest. Afterwards there were some husbands quite worried, and some very relieved. oOo

Members of the Girls' Friendly Society are asked to attend Grant Reserve on Monday nights at 4 p.m. for sports practice. oOo

CARD AFTERNOON

A card afternoon will be held at Mrs. Keeshan's, 69 David Street, Altona, on Thursday, March 28, at 1 p.m. The afternoon is in aid of the Guides and Brownies and all are invited. oOo

SUNSHINE DANCE

Our Lady's Youth Centre, Sunshine, will hold a dance in the Mariana Hall, on Sunday, March 24. Guest star for the evening will be television personality Patti McGrath.

Everybody is welcome to the dance in the hall, at the corner of Monash Street and Station Place, Sunshine. oOo

MRS. RUBY FISHER OUT OF ACTION

Sorry to hear Mrs. Ruby Fisher is out of action for awhile. Being a left-hander a severe dog-bite on the left hand has temporarily handicapped her.

It is to be hoped the hand is soon better, so as to enable her to compete in the Champion of Champions match, to be held at the Strathmore Bowling Club. oOo

ENGAGEMENT

Mr. and Mrs. Frank Kirk happily announce the engagement of their elder daughter Glenys Lorraine, to William Reginald Feiss, who is the only son of Mr. and Mrs. W. Feiss of Yarraford Ave., Alphington.

ALTONA FOOTBALLER WEDS

After their marriage last Saturday at the Holy Trinity Church, Nelson Place, Williamstown, Mr. George Fairley and his bride are spending their honeymoon in the Snowy Mountains.

The bride, formerly Miss Janet Page, is the eldest daughter of Mr. and Mrs. C. E. Page, of 88 Cecil Street, Williamstown, and the bridegroom is the elder son of Mr. and Mrs. F. Fairley, of 26 Railway Street, Altona.

The bride's frock of fine white nylon net patterned with a rose and leaf design and dotted with silver had a long train falling from the shoulders. Attached to her pleated pill-box head piece was a short veil and she carried a bouquet of tuber roses and gardenias.

Bridesmaids were Robin and Sandra, sisters of the bride, and they wore frocks of blue

and pink nylon organza and carried carnations and delphiniums.

Flowergirl, Jill Keeshan, was dressed in lemon nylon organza.

A friend of the bridegroom, Mr. Geoff Newman, was best man and the bride's cousin Mr. Lloyd Matthews, groomsmen.

The mother of the bride, Mrs. Page, wore an ensemble of green organza with pink accessories.

After the ceremony 180 guests were entertained at a reception held at the Mechanics Institute, Williamstown.

ENGAGEMENT

A party to celebrate the daughter Faye Colleen, to engagement of their elder Barry Hogan, of Brunswick, was given by Mr. and Mrs. A. Brown of 5 Grieve Highway, Altona.

Among the 130 guests they had much pleasure in entertaining at Ascot House Ascot Vale was Mrs. Hill of East Malvern, Faye's great, great Aunt.

Faye looked very charming in a white guipure lace frock beaded at the neckline with soft white pearls and rhinestones. Mrs. Brown wore a smart black French silk dress with the bodice beaded in steel beads. Mrs. Hogan looked chic in a pink and silver dress with matching shoes.

Master of Ceremonies for the evening was Barry's uncle, Mr. Ken Ross.

During the evening several delightful songs were rendered by Mrs. B. Brennan, Mrs. A. Butterworth and Mr. Ron Wilson, all of Altona. oOo

SEAHOLME PRE-SCHOOL CENTRE

A meeting of the Seaholme Pre-School Centre was held last Friday afternoon. The committee for the Pre-School is—

Mrs. Webb, president; Mrs. Graham and Mrs. Northage, vice-presidents; Mrs. Chandice, treasurer; Mrs. Harrison, secretary; Mesdames Brown, Condon, Goldie, Granger, Smith and Williams, committee.

The next meeting will be held on April 2, 1963 at 9.30 a.m. at the Methodist Youth Hall, Seves Street, Altona when it is hoped to see a few more mothers present.

LADIES' BOWLING

The official guest day of the Altona Ladies' Bowling Club was held on Tuesday, March 12.

Among the official guests welcomed by Club President Mrs. Lena Cox, were—Mrs. E. Bloomfield, State President of the Victorian Ladies' Bowling Association, Mrs. F. M. Williams, State Secretary of the V.L.B.A., and representing the Altona Shire Council, Mrs. S. McIntosh and Mrs. J. Waters. Also present were representatives from 12 other clubs.

Mrs. Bloomfield complimented the club on their progress and extended best wishes and congratulations to the Shire Council on their new Offices.

Trophies for the day were donated by Mrs. Lena Cox, for the winning rink, Mrs. V. Turner for the runners-up, and other trophies were donated by Mrs. Q. Cox and Mrs. I. Probert.

Winning rink was Mrs. E. Martin (Altona), Mrs. E. Marlow (Altona), and Mrs. G. Hogarth (Strathmore).

Runners up were Mesdames N. Tyquin, P. Hanson, W. Neal and E. Flynn, all Altona Club members. oOo

AROUND THE BOWLING GREEN

Last Sunday Mr. Bert Hill defeated Mr. T. McMahon for the men's championship of the Altona Bowling Club.

Mr. G. Russell was very pleased with the surprise visit of his brother from Adelaide last week.

Sorry to hear Mr. J. Flynn is a Patient in the Royal Melbourne Hospital.

Birthday greetings go to Mr. J. Newton.

Another patient in hospital is Ladies' club member, Mrs. Queenie Cox, who was admitted to the Royal Melbourne Hospital last week.

Laverton Wedding

The marriage of Betty, the youngest daughter of Mr. and Mrs. A. E. Hooper, of Spencer Street, Essendon North, to Keith, eldest son of Mr. and Mrs. J. Sewell, of Railway Avenue, Laverton, took place on Saturday morning at Christ Church of England, Essendon, where the Rev. Morton officiated.

The bride wore a gown of creamy white satin with a guipure lace design appliqued on the bodice and lace trailing on the bell shaped skirt, which had a light train. Her finger-tip length veil was held in place by a circlet of artificial white roses and her bouquet consisted of white roses intermingled with artificial flowers.

Attending the bride were Misses Wendy Ford and Jill Sewell, the bridegroom's sister, who wore short length frocks of aqua slub taffeta and aqua head bands. They carried bouquets of orange roses intermingled with artificial flowers.

The groom's brother, Trevor, acted as best man, and Ted Hooper, the bride's brother, was groomsman.

The bride's mother wore a suit of navy slub linen, navy shoes, white gloves and an attractive white hat, the crown of which was covered with tiny white flowers finished with a navy band. She carried a navy bag.

The bridegroom's mother wore a teal in covered frock with matching jacket, bone white accessories.

coloured shoes, white gloves and a charming hat with a criss-cross crown and ribboned front. Her bag was on bone colour.

The reception was held at "Roselyn Court," Essendon, where guests included relations from Myrtleford, Wangaratta. The groom's grandmother was on of these guests.

The Rev. T. G. Hinton, of Dandenong, was master of ceremonies for the enjoyable luncheon.

After the reception the young couple departed for Lorne where they will spend their honeymoon.

For travelling the bride wore a linen apricot coloured frock with a guipure lace top and matching jacket with white accessories.

Lifesaving Club Championships

The Club Championships held on Sunday, March 17, were well attended by Shire Councillors, local residents, club members and friends.

The Altona Shire President, Cr. A. W. Bond, officially opened the carnival on completion of the march past at 2 p.m.

Cr. Bond in his address spoke of the commendable work being done by the life-savers on the local beach. He also paid a particular complement to the junior branch commending them on their discipline in the march past. During the carnival Cr. Bond noticed that there was no perpetual trophy for the men's novice swimwade and he very generously offered to donate a trophy for this event which will now be known as the Cr. Bond Trophy.

Results of the carnival were as follows—

Boys' Under 12 Swimwade, for the C. McIntyre Trophy: K. Gathercole, 1; C. Mellett, 2; N. Thomas, 3.

Girls' Under 12 Swimwade, for the Altona Clinic Trophy: P. McCallum, 1; K. Stirling, 2; J. Neal, 3.

Boys' Under 16 Swimwade, for the J. Joiner Trophy: R. Swarbrick, 1; P. Wynands, 2; J. Richards, 3.

Girls' Under 16 Swimwade, for the I. Herbert Trophy: R. Hays, 1; L. Allen, 2.

Club Championship, for the John L. Lewin Trophy: W. Davis, 1; H. Kip, 2; R. Swarbrick, 3.

Womens' Open Swimwade, for the T. G. Ward Trophy: R. Hayes, 1; B. Allen, 2; J. Smith, 3.

Mens' Open Swimwade, for the R. Fraser Trophy: H. Kip, 1; B. Probert, 2; C. Mellett, 3.

Girls' Under 18 Swimwade, for the H. and C. Kim Trophy: B. Allen, 1; B. Lobb, 2; J. Smith, 3.

Boys' Under 14 Swimwade, for the Delman Trophy: G. Page, 1; S. Cronin, 2; I. McCulloch, 3.

Mens' Under 18 Swimwade, for the Gray-Avison Trophy: C. Cotter, 1; R. McDonald, 2; R. Bailey, 3.

Girls' Under 14 Swimwade, for the Strand Social Club Trophy: J. Bolger, 1; M. Grierson, 2; V. Thompson, 3.

Mens' Novice Swimwade, for the Cr. Bond Trophy: B. Jablonski, 1; P. Stokes, 2; F. Wynands, 3.

Womens' Novice Swimwade: B. Lobb, 1; R. Emmerson, 2.

Womens' Musical Flags: L. Allen, 1; B. Lobb, 2; B. Allen, 3.

Mens' Musical Flags: H. Kip, 1; P. Stokes, 2; C. Cotter, 3.

The Trophies will be presented to the winners at the annual presentation night, the date of which will be publicised in the near future.

As the extensions to the Clubhouse are progressing towards completion, the club committee has been discussing an opening ceremony to celebrate this event, the final arrangements will be publicised in the "Star" in the very near future.

The mystery picnic is well in hand and all members wishing to avail themselves of the opportunity of a very enjoyable day should hand their names in to the social committee immediately.

SPECIAL EFFORT

G. Richards, 199, 1; T. Ray, 123, 2; D. Allen, 102, 3.

Consolations: Mrs. Stephens, 100; R. Locke, 67; W. J. Smith, 66; Bill White, 31.

TROPHY DONORS

The Lifesaving Club gratefully acknowledges donations from H. and L. Weaver, and Sarros Bros. for donations for trophies.

YACHTING NEWS

In the Hornet Class last Saturday "Moonraker" took out her first fastest time this season. In the Miscellaneous Class a Yachting World Heron Class took second placing in its first race.

MISCELLANEOUS

There was a big field last week, including two Moths, two Sabots, a Yachting World Heron and a Catamaran. Conditions were light and made for pleasant sailing.

PLACES OVER THE LINE

"Tiki" (Cathy Bradley), 1; Yachting World Heron (unnamed as yet) (Bill Johns and Trevor and Richard Pearl), 2; "El-Halcon" (Les Miller), 3.

CORRECTED TIMES

"Tiki," 1; Y.W. Heron, 2; "El-Halcon," 3.

HORNETS

Once again this race was keenly contested with constant changing in positions. Full credit must go to Alan Owen who took his first fastest time after fighting off a strong challenge by Tom Jones throughout the final lap.

PLACES OVER THE LINE

"Moonraker" (Alan Owen and Peter Brennan), 1; "Jet" (Tom and Coral Jones), 2; "Athene" (John Bartlett and Harry Job), 3.

CORRECTED TIMES

"Moonraker," 1; "Rock 'n' Roll" (Peter and Helen Jol), 2; "Jet," 3.

The March general meeting will be held in the clubrooms at 8 p.m. on Friday, March 29.

SUMMER PENNANT FINALS

Last week saw the conclusion of the 1963 Summer Pennant competition conducted by the Western Suburbs Association, when nine finals were contested at the Table Tennis Centre, Garden Street, Williamstown.

The coveted A Grade premiership was won by Altona (A. Walker, D. Wyllie, and J. Sroka), from Maidstone (R. Rowan, P. Rogers, H. Gill) by 6 sets to 3.

LAVERTON DEFEATED IN SEMI

Laverton, after being the home and home leaders, were easily defeated by I.O.R. in the semi-final.

Scores—I.O.R. 229 (B. Comben 108), and none for 28, defeated Laverton 101 (McPherson 29, Rigney 18, Condon 14 n.o.).

WERRIBEE CRICKET ASSOCIATION

Laverton's all-rounder, L. Menzel, just defeated his team captain, D. Mason, for the Association batting average. Laverton had three batsmen in the top four positions.

Marching with the Girls

Did you attend the district championships last Sunday? Did you enjoy it? Please let us know. Have you a question about this sport you would like answered? Letters to this column, care of the editor will be answered as promptly as possible.

The West Newport Club are to present an annual scholarship to a girl from the West Newport State School for academic subjects.

Next Sunday the Victorian State Championships for 1963 are to be decided at Kardinia Park, Geelong. It will be a most interesting day and a pleasant drive if you feel like an outing.

Amongst the hardest working members of every team are the Chaperons, who, virtually unrecognised, tend to the uniforms, the girls' needs, and the details necessary for the efficient functioning of the team.

A special vote of thanks to Mr. A. G. Parker for his efforts in the organising of a very successful contest last Sunday, especially in the example set by the Williamstown Association in presenting a new style medal featuring a white seagull, the local emblem.

Contest results of the Williamstown Championship last Sunday are—

ROUND-UP OF LAVERTON TOPICS

Rail Duplication

Duplication of two-and-a-half miles of railway track from Laverton towards Melbourne is part of a long-range plan that provides for the eventual duplication of all the single track section between Newport South and Corio.

The Victorian Railways Commissioners said this today in reply to an inquiry by an "Altona Star" representative.

While the duplication at present under way would be of assistance for train operations, it would have little effect on passenger train schedules until further duplication work was completed.

DRAINS BLOCKED

The flooding of Goble, Allen and Bladin Streets, Laverton, is a mystery to the Shire Engineer, of Werribee Council.

The Laverton Progress Association requested attention to this matter by the Engineer's Department.

Mr. McCormack, Shire Engineer, said there was nothing wrong with the design of the drain and he had thought the drain would have cleared itself after it had rained.

Cr. Davis asked could the pipes be full of mud, and if so could they be cleared with pressure hoses.

With Mr. McCormack's approval of the suggestion, the council agreed to try to clear the drains with pressure hoses.

QUEEN OF PEACE SCHOOL

Winner of the Tupper Ware Competition was Mrs. Fisher, 11 Sumers Street.

WERRIBEE DISTRICT SPORTS ASSOCIATION

The Seventeenth Annual Meeting resulted in a win for Werribee South, 188; points, then followed Pt. Cook "Green," 141; Little River, 141; Digger's Road, 108; Pt. Cook "Brown," 104; Truganina, 98; Cocoroc South, 67; Laverton "Red," 60; Murtcalm, 41; Cocoroc, 22; and Laverton "Brown," 20.

Some of the Laverton students who obtained points for their teams were—R. Frearson, L. McKee and A. Booth (Girls' Skipping); K. Mason, A. Farmer and E. Cole (Girls' Potato Race); J. Ross, E. Sebbens, N. Gillett and C. Pyne (Hoop Relay); K. Mason, L. McKee, B. Thompson and P. Thompson (Hoop Relay); J. Francis, and J. Saddler Boys' Potato Race); M. Palmieri (Boys' Running); G. Wilkinson, S. Green and L. McKee (Egg and Spoon Race); G. Parastaidou, G. Wilkinson, R. Kellor, J. Kelly and D. Holme (Boys' Running).

Strong Objections To Stockyards

Members of the Laverton Progress Association are very perturbed with the building of stock holding yards near the Laverton Railway Station.

At the last meeting of the Association members voiced very strong objections to the yards.

At the first intimation that stock holding yards were to be built telegrams of objections were sent to local Members of Parliament and the Railway Department.

In response to the telegram Mr. G. R. Crick, M.L.A., paid a visit to Laverton and after a thorough inspection of the area said he would take the matter further.

The yards are being built by Weinberg Abbatoirs Pty. Ltd. who apparently have permission from the Railway Department to use an existing loading ramp. This ramp has not been used during the past six or seven years. It now seems because of the existing ramp no permission is needed for the holding yards.

At the meeting members raised the following points—

When the old ramp is in use the surrounding area was not residential as it is now;

The drop in value of surrounding properties;

At what times are the sheep or cattle to be unloaded;

How long will the animals be held in the yards;

The noise caused by the sheep or cattle and heavy transport moving the animals;

The danger to children by the transports travelling on the roads of the Estate;

The heavy transport would be detrimental to the roads in the district; and

The health factor in regard to disease and infection. The sewer pipe is not considered

large enough to take additional refuse from the yards. Therefore, will the refuse be drained into the ditches at the side of the railway line, and in the summer time when there is not enough water for household use how will the yards be cleaned?

It was resolved at the meeting to inform the Health Department of the views of the Progress Association.

Members also decided to forward the petitions signed by Laverton residents to the Werribee Shire Council with a request to forward them to the proper authorities.

At the conclusion of the meeting the problem of transport was raised. Members expressed their interest in the progress made by the Altona Shire in regard to this problem.

It was suggested that prior to the next meeting of the Association, members give some thought to giving their support to Altona. One member suggested that if Altona is successful in getting the railway line extended to Maidstone Street it is coming closer to Laverton. He is of the opinion that Laverton should fight for the line to be continued through to Laverton.

Stockyard Petitions Forwarded

Petitions signed by a number of Laverton residents objecting to the construction of a receiving yard for stock at Laverton Railway Station have been forwarded to Werribee Shire Council by the Laverton Progress Association.

Cr. Davis asked council to forward the petitions to the local M.L.A. with a request to present them to the proper authorities.

He said at no time did the Railway Department contact the council regarding the building on the receiving yard. It is being built right at the railway station in an area which has been zoned residential under the Board of Works Planning Scheme.

Cr. Davis considers this is a backward step in the development of Laverton as cattle and sheep trains will be left standing at the siding in close proximity to houses.

There have been no applications for drainage from the yard to be connected with the sewer or the storm water drain, therefore, sanitation is in doubt. There have been no specific times set down for the movement of cattle or sheep and there is a doubt as to how long the animals will be held in the receiving yard.

Cr. Davis suggested the building of this yard is the backwash of the Government's refusal to move the Newmarket saleyards to Derrimut. A company, anticipating the move yards there and was now left to Derrimut, had built saleyards.

DRIVER TO PAY FOR DAMAGED HYDRANT

The Board of Works has forwarded an account of £38/7/- to Werribee Shire Council, being the cost of repairs to a pillar ball hydrant in Railway Avenue, Laverton. This hydrant was damaged by a car which, after the accident, was abandoned by the driver. The car was moved by the Board of Works.

It was subsequently found the owner is a policeman and Werribee Council decided to forward the account to him for payment.

Council agreed to send the petitions through the correct channels and to request the problems of sanitation and specific times be given attention.

ANOTHER USE FOR CAR PARK

The Laverton Progress Association asked the Werribee Shire Council if the area sealed at the rear of the shops in Lohse Street, Laverton, is for recreation purposes.

Before this area could be used for other than car parking the approval of the council must be obtained.

But if any club wishes to use it for recreational purposes which would not interfere with the car parking, such as night basketball, the council would give them a sympathetic hearing.

KINDERGARTEN

The Laverton Infant Welfare and Pre-School Centre asked Werribee Council for attention to repairs and general works required around the kindergarten.

As there were quite a number of requests by the Committee the council asked the East Riding Councillors to discuss the matters with the Infant Welfare Committee.

WERRIBEE & DISTRICT TENNIS ASSOCIATION

Laverton defeated Methodist in the "C" Grade semi-final on Saturday. The winning team comprised of—Jill Savell, Francis Douglas, Maree Hart, David Williams, Sheedy Sutema, Geoff Cameron, with Francis Mullett and John Sergeant as reserves.

Laverton Girl Guides

The Girl Guides Association was formed in Laverton early in 1960. At that time the Guide company had approximately 20 members, with Miss A. Woolmer as Captain. Since then two Brownie Packs have been formed, with 30 children and four Guiders. The Guide company now totals 24 Guides and four Guiders.

To make Guiding fun and to further the aims of the movement ("To be useful and to help others"), three groups of people are necessary. Firstly, and by far the most important group are the children—Brownies who are from 7½ to 11 years of age, and Guides who range in age from 11 to 16. There is no Ranger crew in Laverton yet but some of the girls belong to a crew in Newport—this group is from 15-20.

The second group of important people are the Guiders who undergo extensive training and give up a considerable amount of their spare time to ensure that the girls under their care are taught the many skills associated with the Guide movement and also the moral and spiritual values on which Guiding is based.

The third group of people who make Guiding possible belong to the Local Association—L.A.—and these are usually mothers and fathers and very often interested people who have no children in the movement.

This group help in many ways: Testing, teaching special skills, helping on outings, bringing the Guide movement before public notice, and of course raising money for whatever needs there are in their particular district. It must be emphasised that money raising is not the only function of the L.A. Only when the children need help for a special project do the L.A. work for funds.

At the moment the Guides and Brownies of Laverton are working for a hall of their own. Land has been leased from the Railway Department adjacent to the Scout Hall, and a building bought for removal. The children and L.A. raised approximately £200 and we received a grant of

£100 from the Youth Advisory Council of Victoria. This covers the purchase price and cost of removal of the hut. Now all have to work to ensure that the hut when renovated will be a credit to the movement it will serve.

The Group has been helped in many ways by many people to get this far with the project. Most of the help has come from people outside the movement.

The very people who are helped most by Guiding—the parents—seem the most disinterested. At the last meeting of the L.A., of those present only two were mothers of children in Guides—not one Brownie's mother.

Recent activities of the Brownies and Guides have included trips to the Botanical Gardens, Christmas parties, a Victoria Wide Campfire at the Myer Music Bowl—being hostesses to Seymour Guiders who came down to see the Queen—hikes, barbecues, first aid and home nursing classes—all outside their normal weekly meetings.

The people who do this for the children are mostly married women and some of these are also at work all the week. They believe in Guiding and its aims and hope that they can help the children of the district to become good citizens.

The children and Guiders are doing their best—what about the third group—will you help us to help your children?

The next L.A. meeting is on Monday, April 8. If you have no transport, but would like to go contact either Mrs. Frearson, Fleetwings Snack Bar, 68-0363, or Mrs. N. L. Jones, 101 Bladin St., Laverton, 68-0257, and transport will be arranged.

SAFETY COUNCIL CO-OPERATION

The National Safety Council of Australia drew Altona Shire Council's attention to the increases of accidents over the holiday period from 491 in 1961-62 to 529 in 1962-63.

They appealed to council for its co-operation in a publicity effort during the forthcoming Easter period.

The Shire President, Cr. A. W. Bond, said they would certainly co-operate with the Safety Council but he requested more information on what the Safety Council expected them to do.

In supporting the Shire President's remarks Cr. McIntosh said "Send one to the Railways." (He was referring to the lack of co-operation by the Railway Department in installing warning lights on the level crossing in Maidstone Street.)

BUS ROUTE EXTENDED

The Transport Regulation Board have advised the Altona Shire Council of having received an application to extend the bus service which runs from Newport to West Newport. The applicants plan to extend the service from The Broadway via The Highway, to the corner of Mason Street, Altona East.

The section of The Highway (now known as McIntosh Road) was constructed to arterial standards and Mason Street will also be constructed to this standard.

As the council is most desirous of any improvement to transport they readily approved of the application.

BUILDING PERMITS

The Board of Works has issued permits to Mr. L. C. Noordenne to use land as follows—

On lots 2-8 inclusive in the commercial zone in Civic Parade he will erect shops, caretaker's houses and offices. The offices will be located at first floor level.

On Lot 9 Millers Road will be a builder's store yard and caretaker's house. The latter is made subject to parking provision being provided for six vehicles and the building line being set back 15 feet from Chifley Avenue.

SCHOOL CRICKET

Altona played their friendly rivals, Seaholme, on Thursday last and in a very thrilling match, scraped home.

SCORES: Altona 8/52, defeated Seaholme 45. BEST PLAYERS: Thomas, Hartley, and Gathercole.

March is Red Cross Month

The five fundamental principals of Red Cross are humanity, impartiality, neutrality, independence and universality.

The carrying out of such a grand concept is an impressive task, but when transformed into action by millions of people in 90 countries around the world, a tremendous force for the betterment of mankind comes into being.

Who amongst us, would fail to respond to become associated with such a power for good? In our State of Victoria people motivated by the principals of Red Cross turn work into timely actions hundreds of times every day.

The call might be for supplies of life saving blood, transportation for people unable to use normal means of transport, libraries and specialised hospital services or relief in times of individual or collective disasters.

Once each year Red Cross invites your financial help to fulfill Victoria's part of the National Program of the Australian Red Cross Society. The actual amount required for this State in the year ahead is £202,350, so that the Society can provide its numerous services to all in need.

Red Cross is always most grateful for the aid extended to its humanitarian work. Will you please extend your generous support now.

I commend this appeal to you and will be pleased to receive your donations. They may be forwarded to me—

Altona In 1890

A Letter From An Old Resident

(By Alf Mowlam)

I was born in England on February 9, 1880, and came to New Zealand with my parents in 1881. I had two brothers and two sisters, and our mother died in New Zealand about 1890.

We came to Melbourne, where my father married again and the three older children boarded out. I was about 11 years old when I went to Footscray to work for a dairy man, Mr. Herbert. We moved to Altona and lived in a house in Blyth Street—"Fleming's House."

Mr. Herbert had a milk round in Williamstown at that time, about 1890. There were very few people or houses in Altona. I remember the following men as I drove one of the drays Mr. Herbert used to bring visitors and supplies from Williamstown—

Mr. Blyth was commissioner of the Harbour Trust. He was connected with the Boat Excursion Company who ran ships around the bay to Geelong, Portarlington and the Heads. He also had connections with the Altona Bay Estate. These bodies met at the "Homestead." He lived in Williamstown.

Mr. Hawker lived in the "Homestead" as caretaker for the Altona Bay Estate.

Mr. White was a fisherman and later an engine driver at the coal mine. He lived in the old "Coffee Palace," in Pier Street.

Mr. Quinn lived near us and he also had about 70 cows and delivered milk to houses in Williamstown.

Mrs. Griffiths lived in a small house near Upton St. Mr. Sparrow lived in a hut near the mine.

Captain Bull was interested in Altona. He was connected with a shipping company called Huddard Parker and had shares in Howard, Smith.

Cr. Missen of Werribee shifted his house to Queen Street, near Rose Street. He bought Mr. Herbert's cows and dairy round at Williamstown. I was about 15 years at the time and drove the milkcart at Williamstown.

The "Coffee Palace" was empty and deserted until my wife lived in it.

There was a platform at Altona, but while I was there I do not remember any trains.

There were miles of beautiful clean beach with three rows of pine trees and tamarisk.

I left Altona to go to sea when I was about 18. But I have lived off and on at Altona, holidays and permanent, from 1907 till 1953, and was a ratepayer to Werribee Council for many years.

My wife and I worked hard to establish Altona as a Shire. Sir Arthur Richards helped to develop the town. We bought land from his firm about 40 years ago. A block near Seaholme station cost £180—the first block through the gates on the beach side.

Then came a slump and land was sold for as low as £25 per block.

Houses in the mine paddock sold 40 years ago for about £150 each and most of the time they were surrounded by water.

We only had a small say at Werribee Council and only forged ahead when the district became a Shire.

Local plays an important roll

Sergeant Bill Irwin, of 145 Queen Street, Altona, a member of the Singapore based 201 Signals Squadron (Overseas), Royal Australian Corps of Signals, voice-passes a message using high powered mobile wireless transmitting equipment at Amoy Queen Signal Station near Singapore City. This equipment is not in use in Australia.

Australian Army signallers have a vital role in today's Pentropic Army. This is particularly valid in South East Asia, where mobility and communications are essential to the control of successful operations.

This was forcibly brought home during the Malaya Emergency.

Today, Australian Army signallers in South East Asia are getting realistic on-the-job training, working alone, and with British, New Zealand, Malaya and Gurkha forces.

DROVE WITHOUT LICENCE AND CONSENT

John Newnham, apprentice butcher, of 109 Queen Street, Altona, was charged that on December 22, 1962, at Altona, he did drive a car without being licensed and that he did take and use a motor car without the consent of the owner. He pleaded guilty to both charges.

John Wilson Haddow, butcher, of Flemington Road Nth Melbourne, said he left his car at 4 a.m. on December 22 at the back of the shop in Altona where he was employed as Manager. At 12.15 p.m. the same day he went to get his car to go home and found it missing. He knew the defendant but did not give him permission to use his car.

Const. D. Wiltshire, of Altona, said at 2.30 p.m. he was on patrol at the beach front at Altona and saw a car being driven by the defendant in the Esplanade. Later he saw it again being driven by Mr. Haddow. He went to see Newnham and asked him if he had been driving in the Esplanade. Newnham agreed that he had and that he had taken the car. He came to the Police Station and made a statement. He told him that he did not have a licence. In his statement he said he worked for the butcher's where Mr. Haddow was the manager and after work went to the back of the shop. One of the men wanted to get his car in and as the keys were in Mr. Haddow's car he offered to shift it. As he drove it out he met some friends and decided to go for a "burn" to Laverton. He returned the car and was told Mr. Haddow was looking for it.

After Newnham's father and Mr. Haddow gave evidence of his character, Mr. P. J. O'Connor, S.M., placed him on a bond for 12 months to be of good behaviour, and ordered that he abstain from driving for that period, no matter what the circumstances. He will not be eligible to apply for a licence until the end of the 12 months.

FINED FOR NO LICENCE

John Calvin Newnham, 17 years, of Queen Street, Altona, was fined £5 for riding a motor cycle when not licensed to do so, on November 14, 1963.

Const. A. Timms said he saw Newnham in Millers Road, just south of Kororoit Creek Road, making adjustments to a motor cycle. He asked him for his licence and Newnham said he did not have one. He said he had pushed the bike there but Const. Timms found the exhaust was hot and Newnham then said a mate drove it there. On being asked where the mate then was, he admitted driving it from Blyth Street.

TRAFFIC CHARGES DISMISSED

A defendant up before Williamstown Court on traffic charges was given the benefit of the doubt by Mr. P. J. O'Connor, S.M., and the case dismissed. The defendant, John Eaton, McKinnon Road, McKinnon, was charged with failing to yield right of way, and failing to obey traffic control signals at the Kororoit Creek and Millers Roads intersection on January 5, 1963.

He was travelling in an easterly direction along Kororoit Creek Road and came into collision at the intersection with a car driven by John Beattie, of Blackshaws Road, Spotswood, who was driving in a northerly direction along Millers Road.

The witness, John Beattie, said he was driving from Altona at approximately 5.30 p.m., doing 30 m.p.h., but on reaching the intersection he dropped his speed to 15 m.p.h. crossing when this car came up on his left and crashed into him. After he realised the car would hit him the witness said he tried to turn his car to the right but it was too late.

The witness said his car was a Standard 10 and it sustained approximately £200 worth of damage.

In the witness box Const. Robinson said he attended the scene of the accident and questioned the defendant. In reply to the constable's questions the defendant said he was travelling at 10 m.p.h., it could have been 15 m.p.h., but no faster, and he slowed down at the stop line and red flashing lights. When asked why he did not give way he said he applied his brakes but could not stop in time. His brakes locked and he skidded into the side of the standard.

When being questioned in the witness box, the defendant said he stopped at the red light, watched a small green car go through the intersection, looked to the right, did not see any cars, moved forward at 5 m.p.h., and then saw the other car doing about 35 m.p.h. Defendant said he first saw the car when it was only 20 feet away from him and they were both in the intersection. Damage to defendant's car, a zephyr, is approximately £300.

Witnesses for the defence, the defendant's mother and fiancée, who were travelling with him both stated that defendant stopped at the red light.

ALTONA PIGEON RACING

2nd TABILK, 70 MILES
Last week's pigeon racing results were—

1. J. Bouchier and son, 2 hours, 9 minutes, 19 seconds, equalling 987 yards per minute.
2. R. and E. Hobbs, 2.16.47, 935 y.p.m.
3. W. Haigh and son, 2.18.53, 924 y.p.m.
4. N. and C. V. Keeshen, 2.48.44, 753 y.p.m.

After considering the case the magistrate said he would give defendant the benefit of the doubt and dismiss both cases.

FINED TOTAL OF £25 FOR TRAFFIC OFFENCES

David Huntley, 18 years, of Ashley Street, West Footscray, was fined £5 for driving an unregistered car in Civic Parade Altona, on November 18, 1962, with a further penalty of £20, £5 for driving a car that had no third-party insurance, £5 for driving a car with two bald tyres, £5 for driving without being licensed, and £5 for fraudulently using a number plate. Police said Huntley put the number plate of another car on the front of the one he was driving, as it had none.

FINED FOR ALLOWING DRIVER TO DRIVE

John Percival Lawson, of Davies Street, Altona, was charged with allowing an unlicensed driver to drive his motor cycle.

Const. A. Timms said that on November 14, 1963, he interviewed Lawson at his home and asked him if he owned a motor cycle. Lawson said he did and was asked if he knew John Newnham. Lawson said he allowed Newnham to ride his cycle as he was going to buy it, he knew he was not licensed to do so. He was fined £5.

GIRLS AID HOSPITAL

Jacqueline Arthur, aged 10 years, of 12 Civic Parade, Seaholme, has been learning a lot at School about civic responsibilities and she decided that she would like to play her part in helping to support the Footscray and District Hospital.

Together with two school friends Jane and Marilyn, both aged 10 years, she organised a bazaar which she held in her home. The girls collected all the comics they could find, rummaged in draws for old pieces of jewellery for a lucky dip and made their own lemonade.

Jacqueline prevailed upon her father to make some doughnuts and spread the word down the street that they were open for business.

Children came from everywhere and the girls were soon doing a roaring trade. Mrs. Arthur who was unaware of these activities came home to find the front verandah crowded with children busily eating doughnuts and drinking lemonade.

Mrs. Arthur was very pleased with the initiative demonstrated by the girls and on taking the proceeds to the Hospital learned of the Hospital Jays which is a children's Auxiliary formed to promote interest in the Footscray and District Hospital.

Jacqueline, Jane and Marilyn will be approached soon to form an Altona group of the Hospital Jays.

CARBON BLACK WINS

Last Sunday employees of Australian Carbon Black played cricket against a team from the Southern Cross Cricket Club, and just scraped in to win.

Highlight of the match was the fine batting of Frank Finch, who made 50 for the Carbon Black.

Southern Cross batted first and were faced with an opening bowling attack which consisted of one "ring-in" from a local senior club and Hugh Poulson, who was later to prove his worth in the side by the manner in which he hammered Southern Cross bowler? Bob Moody over the fence countless times while batting.

Dave McKenzie opened the batting for Southern Cross in typical English fashion (I can score less runs in more time than you can). Dave went on to make 30.

The Southern Cross team led by captain Bob Moody, collapsed badly in the middle, but aided by the luck of the lower batsmen, managed to score over the 100 runs.

Carbon Black then batted. After an early break through Frank Finch, aided by Tom Gordon Sen. and Joe Mannagh plus Harry Warren hung on to take their score on to a winning total.

Tom Gordon Jun., and "Pino" Bakos stood up well in a last wicket stand, but it is generally thought that "Pino" may do better if he sticks to soccer.

SEAHOLME PRIMARY SCHOOL

The School Committee earnestly solicits your participation in the monthly contribution scheme for 1963. Money is constantly required to meet the demands of your ever-growing school which has now an attendance of 450 pupils.

The direct giving envelope system raised £90 in 1959, £102 in 1960, £88 in 1961, but only £80 in 1962. The most important project for 1963 is planning for the assembly hall. The Mothers' Club has promised its active support and your willing co-operation in this matter would be deeply appreciated. The school asks that every family contribute each month by the envelope system.

Any amount you are able to give will be gratefully appreciated and carefully appreciated.

MUSIC FOR YOUR PLEASURE

Australians are proud, and rightly so, of the reputation our musicians and singers have earned overseas.

This country can produce artists of world class—but, until recent years, it was necessary for them to go overseas before their own fellow Australians would recognise their talent.

Today, there is an awakening that the talent does not necessarily have to go overseas to be "brought out." Williamstown, which supports a Little Theatre, a Light Opera Company and an Orchestral Society, has been aware of this fact for many years.

PLAY CENTRE NOW A KINDERGARTEN

After a visit by officers of the Health Department to the various play centres in the Shire they particularly expressed their pleasure with the centre being conducted in the Presbyterian Church Hall in Civic Parade. The officers decided this could now be conducted as a kindergarten with the result the Altona Shire Council will collect a full subsidy from the Department.

That is why the W'town Orchestral Society, in selecting soloists for its forthcoming recital, has not gone past local talent.

"We are not being patronising," the secretary of the Orchestral Society, Mr. Peter Henry, said this week, "the fact is, you don't have to go outside the Western Suburbs to find good artists."

In fact the soloists for "Music For Your Pleasure," which will be presented at the Mechanics Institute, Electra Street, Williamstown next Wednesday evening, March 27 at 8 p.m. are all from W'town.

QUEEN OF PEACE SCHOOL

Queen of Peace School, Laverton, re-opened this year with an attendance of 54 pupils. Children may now attend to Grade III, placing themselves in the capable hands of Mrs. Wakefield.

Mothers' Club meetings are held every first Wednesday in the month in the Church Hall at 2 p.m. New members are very welcome.

The last meeting, held on March 13, was attended by 14 mothers. It was decided to hold a fete sometime during June, and the suggestion was made that some article (tinned stuffs, clothing, &c.) be brought along by each mother attending intervening meetings, so donations of the aforementioned goods would be gratefully received.

Any information required re the Mothers' Club and functions may be obtained from Mrs. Jackson, Laverton, phone 68-0225.

Mrs. T. Dillon, 32 Wright Street is secretary; Mrs. N. Russell, 20 Wright Street, is treasurer, and publicity member is Mrs. P. Bryan, of Bladin Street.

Playground Roster: Mrs. Elliott, 16 Maher Road.
